

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Fisheries Department – Fish Seed Farm, Penamaluru, Krishna district – Leasing out piece of land located in Sy.No.483/2 (Acre 3.50 cents), Fish Seed Farm, Penamaluru, Krishna district to Central Institute of Freshwater Aquaculture, Bhubaneswar so as enable to shift their pond activities from present site in Sy.No.483/1 - Amendment - Orders – Issued.

ANIMAL HUSBANDRY, DAIRY DEVELOPMENT & FISHERIES (FISH) DEPARTMENT

G.O.MS.No. 18

Dated: 06-05-2016
Read the following:-

1. G.O.Ms.No.4, Animal Husbandry, Dairy Development & Fisheries (Fish) Department, dated 6.1.2006.
2. From the Commissioner of Fisheries, A.P. Hyderabad, Letter No.3772/C2/2016, dated 4.4.2016.

ORDER:

In the reference 1st read above, Government have accorded permission to Commissioner of Fisheries, Andhra Pradesh, Hyderabad to lease out Ac.3.50 cents in Sy.No.483/1 of Penamaluru Fish Seed Farm land to Central Institute of Freshwater Aquaculture, Bhubaneswar for a period of 25 years to continue their research and extension activities on certain terms and conditions, detailed therein.

2. The Commissioner of Fisheries, Andhra Pradesh, Hyderabad in his letter 2nd read above, among other things has reported that the Penamaluru Fish Seed Farm area have now become urban part of the Vijayawada city. The urban drainage effluents from surrounding colonies have made the fresh water sources in the adjacent canal unfit for carrying out any research activities in the existing fish ponds. There is no canal water for most part of the prime period of the year (March – August) due to poor inflows in the Krishna river during the last 15 years. This scenario is also adversely affecting the farm activities of both the department farm and Central Institute of Freshwater Aquaculture's regional centre's farm is serving practically only to house the offices of the Department and Central Institute of Freshwater Aquaculture. The Government at Chief Secretary level has taken a decision to establish "NTR Centre for Advanced Research and Training Centre" in the Penamaluru Fish Seed Farm. The proposed centre will accommodate the training centre for fish farmers, fisheries staff, offices of the Commissioner of Fisheries, AFCOF, Regional centres of all the Government of India organisations like CIFA, CIFE, MPEDA, NFDB, CAA, Central data server of all aqua farmers to be operated by the NIC to serve the extension needs of the large aqua farming community etc. Hence, the Commissioner of Fisheries, Andhra Pradesh, Hyderabad has requested the Government to amend the said G.O. duly allotting on lease to Central Institute of Freshwater Aquaculture, Bhubaneswar for piece of land located in Sy No.483/2 (Acre 3.50 cent), so as to enable the CIFA to shift their pond activities from present site to new site and pave the way for the department to hand over the land to Housing Department for taking necessary follow up action on the project proposed.

3. After careful examination of the matter, Government hereby proposed to allot land to Central Institute of Freshwater Aquaculture in Sy.No.483/2 from the existing land in Sy.No.483/1, to continue their activities and to enable the department immediately to commence the work related to the proposed infrastructure project.

4. Accordingly, the following amendment is issued to the para (2) of the G.O.Ms. No.4, Animal Husbandry, Dairy Development & Fisheries (Fish.II) Department, dated 6.1.2006.

AMENDMENT

Government after careful consideration of the proposal of Commissioner of Fisheries, Andhra Pradesh, Hyderabad hereby accord permission to lease out 3 ½ acre of Penamaluru Fish Seed Farm in Sy.No.483/2 to Central Institute of Freshwater Aquaculture, Bhubaneswar, from the existing site in Sy.No.483/1, on the same terms and conditions.

(PTO)

..2..

5. The Commissioner of Fisheries, Andhra Pradesh, Hyderabad/ Director, Central Institute of Freshwater Aquaculture (CIFA), Bhubaneswar shall take necessary action in the matter, accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
